## ARTICLE 2

### ASSOCIATION RIGHTS

#### **A. Association Leave**

In the event that the Association desires to send, at its own expense, representatives to National or State Affiliate conferences, conventions or workshops, these representatives shall be excused for such purposes without loss of salary for not more than ten (10) school days in the aggregate. The Association shall pay the District the equivalent of the cost of the substitute(s) for these ten (10) days. No individual member shall be excused for more than five (5) days in any school year. A written request for leave shall be submitted to the Superintendent five (5) days prior to the requested leave date.

#### **B. Notice of Board Meetings**

The President of the Association or his/her designee shall be given written notice of any regular or special meeting of the Board together with a copy of the agenda or statement of purpose of such meeting and a copy of the unapproved minutes of Board Meetings, if any, at least forty-eight (48) hours prior to the scheduled time of such meeting.

#### **C. Meeting on District Property**

The Association and its representatives shall have the right to hold a reasonable number of official meetings per year on District property, related to the Association's role as bargaining agent for bargaining unit employees, provided that such meetings in no way interfere with District use of said property and provided that when special, custodial service is required, the Association will reimburse the District for the cost of same. If an employee works later than scheduled meeting time, the employee may make arrangements agreeable with his/her supervisor so that said member can attend the meeting.

#### **D. New Employees**

The Board shall provide the Association with the names, addresses and positions on salary schedule of newly hired employees within 14 days of their employment.

#### **E. Labor Management Committee**

The Labor Management Committee shall consist of up to five (5) board representatives selected by the Board and up to five (5) GPA representatives selected by the GPA. Members of the Labor Management Committee may invite other staff members to attend Labor Management Committee meetings in an advisory capacity based on the nature of the issue.

One meeting per month will be held September through May, unless otherwise agreed to by the parties. Meetings will have rotating start times (e.g. before school hours/after school hours) to accommodate the schedules of employees in different categories. The parties shall agree upon an agenda of matters to be discussed at the meeting at least seven (7) days prior to the meetings. Agenda items will be categorized under three areas; 1) Education, 2) Personnel, and 3) Compensation. Committee agendas and minutes will be electronically distributed to all employees. Matters involving a pending grievance or other litigation between the parties shall not be discussed at this meeting, unless otherwise agreed to by the parties in writing.

#### **F. Standing Committees**

The Association shall have representative(s) and a vote on District Standing Committees as follows: Sick Leave Bank Review Board (2 members), Insurance (2 members), and District Coordinating Council (1 member).

## **G. Communication**

For the purpose of communicating Association business, the Association shall be allowed use of the following:

- 1) The District mail service and employee mail boxes.
- 2) A bulletin board in the employee lounge, dining room or appropriate work area of each District facility to post notices and other Association information.
- 3) The District printing equipment provided it will not interfere with instructional or other needs of the District and the Association reimburses the Board for any charge to its equipment occasioned by such use and the cost of all consumables and/or machine unit or like charges.
- 4) The use of an e-mail alias by one authorized representative of the Association. The Association shall notify the Board in writing no later than the start of school of the authorized representative.

## **H. Dues Deduction**

- 1) Any member of the bargaining unit who is a member or has applied for membership in the Association shall sign and deliver to the District a written authorization for continuous or annual dues deduction. The Association will provide the appropriate authorization forms. The continuous authorization shall remain in effect from year to year unless the employee revokes said authorization in writing between the start of the school year and September 15 of any year.
- 2) By October 1<sup>st</sup> of each year, the Association shall provide the Board with a list of members from whom current membership dues of the Association and its affiliates shall be deducted. The member may pay the dues in one lump sum, or the Association dues will be prorated and deducted from eighteen (18) consecutive paychecks beginning with the first paycheck in October. The dues authorization shall be irrevocable for the current school year. However, termination of employment for any reason shall constitute revocation of authorization for dues deduction.
- 3) All dues deducted by the Board shall be transmitted to the treasurer of the Association in nine (9) installments during the months of October through June (for the June 15<sup>th</sup> and June 30<sup>th</sup> paychecks). The Association agrees to hold harmless and defend the Board from any and all claims, suits or other actions which may arise from the deduction of dues under this section, provided only that the Board shall make such deductions and remittances as are provided herein.

## **I. Fair Share/Maintenance of Membership**

- 1) In the event that the Association demonstrates to the Board that 80% of the employees are dues-paying members of the Association, paragraphs 3 through 8 of Section I of this Article shall become effective in:
  - a) the same school year if such demonstration of membership is made prior to October 1; or
  - b) the following school year if such demonstration of membership is made after October 1.
- 2) The Association's demonstration of membership may be made through evidence of dues deduction and/or other evidence of payment of Association dues.
- 3) Beginning on the date provide for in paragraph 4 of this Section, if an employee does not join the Association or execute a dues deduction authorization within fourteen (14) days after posting of the notice required in subparagraph (a) of this paragraph 3, the Board shall deduct the sum equivalent to the employee's share of the costs of the services rendered by the Association for collective bargaining and contract administration in its role as the sole and exclusive bargaining agent as annually certified in writing by the Association to the Board in equal payments from the regular salary check to the employee in the same manner as it deducts for members of the Association, provided:

- a) The Association has posted the appropriate notices of imposition of such fair share fee in accordance with the rules and regulations of the IELRB; and
  - b) The Association has annually certified in writing to the Board the amount of such fair share fees and has annually certified in writing to the Board that such notice has been posted.
- 4) The Board shall begin such fair share fee deduction no earlier than fourteen (14) days (or any later period as required by the Rules and Regulations of the IELRB) after certification by the Association as described in Paragraph 1 of this Section. The Board's obligation, if any, to collect fair share deductions for any employee who has not joined the Association or who has subsequently renounced voluntary membership in the Association shall cease in its entirety as of March 31, 2017.
  - 5) The Association, the Illinois Education Association and the National Education Association agree to defend, indemnify, and save the Board harmless against any claim, demand, suit, or other form of liability which may rise by reason of any action taken by the Association or the Board in complying with the provisions of this Section, including reimbursement for any legal fees or expenses incurred in connection therewith.
  - 6) In the event an employee objects to the amount of such fee, the Board shall continue to deduct the fee and the Board shall transmit the fee (or the portion of the fee in dispute) to the IELRB which shall hold the fee in escrow in an account established for that purpose. The Board shall continue to transmit such fee to the IELRB until further order of the IELRB. If the employee is entitled to a refund, the employee shall receive such refund plus any interest earned on the refund during the pendency of the action.
  - 7) If a non-member employee declares the right of non-association based upon bona fide religious tenets such employee shall be required to pay an amount equal to the employee's proportionate share to a non-religious charitable organization mutually agreed upon by the employee and the Association. If the employee and the Association are unable to reach agreement on the matter, a charitable organization shall be selected from a list established and approved by the Illinois Education Labor Relations Board in connection with its rules.
  - 8) The provisions of this Article shall not apply to any employee who was not a dues-paying member of the Association on the date of demonstration of membership provided herein, except and unless such employee at some future date voluntarily agrees to take out a membership in the Association.
  - 9) All portions of this Section I of Article 2, other than this Paragraph 9 and the second sentence of Paragraph 4, shall become void and of no further force or continuing effect (i.e., shall sunset in their entirety) as of March 31, 2017; provided, however, the termination of the Board's obligations pursuant to this Section shall not affect the Board's duty to remit such dues or fee payments for the 2016-17 school year collected prior to or as of March 31, 2017.

### EMPLOYEE RIGHTS

#### **A. Complaint Against Employee**

Any complaint to an Administrator or Board Member deemed by the Administrator or Board Member to justify investigation and/or disciplinary action shall be brought to the attention of the employee involved. Except in cases of extreme emotional instability or alleged criminal action, or when the safety and health of the pupils and/or other person(s) are in jeopardy or other emergency situation, no disciplinary action shall be taken until the information contained in the complaint has been discussed with the employee

#### **B. Remediation for Unsatisfactory Performance and Dismissal**

If the Board seeks to dismiss an employee who has been employed for at least 2 years for unsatisfactory performance, the Board shall notify the Association and the employee of his or her deficiencies and shall offer the employee an opportunity to remediate his or her deficiencies prior to notice of termination. Unsatisfactory performance shall be determined by the Board in its sole discretion.

In such case, the employee shall be given an opportunity to meet with his/her immediate supervisor to discuss his/her deficiencies. The employee will be given sixty (60) calendar days to remediate his/her deficiencies during which time the Board shall evaluate the performance of the employee.

If after such remediation, the employee's performance has not improved sufficiently in the sole opinion of the Board, the employee shall be dismissed. Such employee shall have the right to meet with the Board in closed session prior to his/her proposed dismissal and the right to be represented at this meeting by a representative of the Association. The Board's decision shall be final and not grievable.

Nothing herein shall prevent the Board from immediately dismissing such employee for reasons which it deems, in its sole discretion, not directly involving performance, including, but not limited to such reasons as repeated unexcused absences and intentional failure to follow Board policies or directives, or which it deems, in its sole discretion, to be irremediable, including, but not limited to sexual harassment, carrying a weapon and conduct that is injurious to the health, safety and welfare of the students. Such employee shall also have the right to meet with the Board in closed session prior to his/her proposed dismissal and the right to be represented at this meeting by a representative of the Association. The decision of the Board on the need for remediation and the dismissal shall be final and not grievable.

#### **C. Personnel Files**

There shall be one official personnel file maintained for each employee. An employee shall have the right, upon reasonable notice, to review the post-employment contents of his/her personnel file. Such review shall be during normal business hours and in the presence of a designated employee of the Board. No employee shall remove any material from a personnel file. Such review shall not be applicable to confidential material, such as recommendations for employment. Upon written request, the employer shall reproduce for the employee one (1) copy of any materials in his/her personnel file. An Employee shall have the right to respond to any critical or derogatory material contained in his/her personnel file and to have such response placed in his/her personnel file. Employees shall be notified within ten (10) workdays (days in which the Administration Center is open) of any disciplinary matters placed in their personnel file.

## ARTICLE 4

### NEGOTIATION PROCEDURES

#### **A. Bargaining Teams**

Each party in negotiations shall select its respective representatives provided that the Board shall not select a GPA employee, as herein defined, as its representative.

#### **B. Negotiations Meetings**

Unless both parties agree to an alternate date, the parties shall commence negotiations by meeting no later than February 1 of the last year of the Agreement. Meetings shall be held as necessary at times and places agreed to by both parties. When negotiations are conducted during regular working hours, release time shall be provided for the Association's negotiating committee members.

#### **C. Tentative Agreement**

When the Association and Board reach tentative agreement on all matters being negotiated, the items will be reduced to writing and shall be submitted to the membership of the Association for ratification and to the Board for official approval.

#### **D. Mediation Procedures**

If agreement is not reached on all items within ninety (90) days prior to the commencement of the school year and all items sought to be negotiated had been thoroughly explored without reasonable expectation of reaching agreement, either party may call for the appointment of a mediator. When mediation has been called for, the Federal Mediation and Conciliation Service shall be requested by the parties to appoint a mediator from its regular staff. The mediator shall have no authority to make public statements regarding either party's negotiating positions.

#### **E. Authorized Agreement – Copies**

A copy of this agreement will be distributed to all employees, including employees upon initial hire. The cost of providing these copies shall be shared equally between the District and the Association.

## ARTICLE 5

### GRIEVANCE PROCEDURES

#### **A. Definitions**

1. Any claim by the Association or any employee that there has been a violation, misinterpretation or misapplication of the terms of this Agreement shall be a grievance.
2. The failure of an employee or the Association to act on any grievance within the prescribed time limits will act as a bar to any further appeal. An Administrator's failure to give a decision within the prescribed time limits shall permit the grievance automatically to proceed to the next step. These time limits may be extended by mutual written agreement.
3. All time limits shall consist of days when the District's Administration Center is open.

#### **B. Procedures**

The parties hereby acknowledge that it is usually most desirable for an employee and the employee's immediately involved supervisor to resolve problems through free and informal communications. When requested by the employee, an Association representative may accompany the employee to assist in the informal resolution of the grievance. If, however, the informal process fails to satisfy the employee or the Association, a grievance may be processed as follows:

- Step I—Within twenty (20) days following the occurrence of the event giving rise to the grievance, the employee or the Association may present the grievance in writing to the immediate supervisor, who will arrange for a meeting to take place within ten (10) days after receipt of the grievance. The written grievance shall include: 1) the factual basis for the grievance; 2) the provisions of this agreement which are alleged to have been violated or misapplied; and 3) a specific remedy requested. Within ten (10) days of the meeting, the grievant and the Association shall be provided with the immediate supervisor's written response, including the reasons for the decision.
- Step II—If the grievance is not resolved at Step I, then the Association may refer the grievance to the Superintendent or the Superintendent's official designee within ten (10) days after the receipt of the Step I answer. The Superintendent or designee shall arrange with the Association representatives for a meeting to take place within ten (10) days of the Superintendent's receipt of the appeal. Each party shall have the right to include in its representation such witnesses and internal representatives as it deems necessary to develop the facts pertinent to the grievance. Within ten (10) days of the meeting, the Association shall be provided with the Superintendent or designee's written response, including the reasons for the decision.
- Step III—If the Association is not satisfied with the disposition of the grievance at Step II, the Association may submit the grievance to final and binding arbitration through the American Arbitration Association ("AAA"), which shall act as the administrator of the proceedings. If a demand for arbitration is not filed within twenty (20) days of the date for the Step II answer, then the grievance shall be deemed withdrawn.
  - a. The arbitrator shall have no power to alter the terms of this Agreement nor to amend, modify, nullify, ignore or add to the provisions of this Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing by the parties involved and his/her decision must be based solely and only upon his/her interpretation of the meaning or application of the express relevant language of this Agreement.
  - b. The Board and the Association shall bear equally the costs of arbitration proceedings. All legitimate expenses incurred by the arbitrator and his/her fee shall be shared equally by the Board and the Association. Each party shall be responsible for compensating its own legal counsel, representatives and witnesses, if they are necessary to process the grievance.

- c. If either party requests a transcript of the proceedings, that party shall bear the full cost of that transcript. If both parties order a transcript, the cost of the two transcripts shall be divided equally between the parties. If a copy of the transcript shall be furnished to the arbitrator, the cost of such shall be paid as part of the costs for the arbitration proceedings.
- d. All claims for back wages shall be limited to the amount of wages that an employee would have otherwise earned plus interest, less any state unemployment compensation or other salary s/he may have earned on a replacement job during the period of back pay.

**C. Bypass to Step II**

If the Association and the immediate supervisor agree, Step I of the grievance procedure may be bypassed and the grievance brought directly to Step II.

**D. Bypass to Arbitration**

If the Superintendent or his designee and the Association agree, a grievance may be submitted directly to arbitration.

**E. Association Participation - Employee Representation**

The Board acknowledges the right of the Association's grievance representative to participate in the processing of a grievance at any level, and no employee shall be required to discuss any grievance if the Association's representative is not present.

**F. Release Time**

Should the processing of any grievance require that employees be released from their regular assignment, such employee shall be released without loss of pay or benefits.

**G. Grievance Withdrawal**

A grievance may be withdrawn at any level without establishing a precedent.

**H. Grievance Documents**

Grievances and documents pertaining solely to the processing of grievances shall be kept separate from employee personnel files.

## ARTICLE 6

### REDUCTION IN FORCE AND SENIORITY

#### **A. Reduction-in-Force Procedures**

Reduction in force shall be made on the basis of seniority accrued. Employees with the least seniority in the affected classification shall be removed in such sequence (i.e. least to most senior) until the necessary reduction has been made, provided more senior employees are qualified to hold the positions of the less senior employees. In determining an employee's qualifications for purposes of reduction-in-force, the Board shall consider any statutory or regulatory employment pre-requisites, and the specific skills required for the position as determined by the District in its policies, rules, regulations, or job descriptions.

#### **B. Categories of Positions**

Employees shall be ranked by their seniority as either full-time (as determined by full-time for their particular category) or part-time within the following categories of positions:

- 1) Education Associate
- 2) School Administrative Assistant
- 3) Central Office Administrative Assistant
- 4) General Accounting/Payroll Coordinator
- 5) Registered Nurse
- 6) Health Coordinator
- 7) Maintenance Worker
- 8) Accounts Payable Coordinator
- 9) Senior Secretary
- 10) Custodian
- 11) Receptionist
- 12) Food Service

#### **C. Recall**

To be eligible for recall, the honorably dismissed employee must provide the Board, prior to the last day of employment, with written notification of the address where the employee may be reached. The employee must notify the Board in writing, within fourteen (14) calendar days of mailing or within seven (7) calendar days of receipt of the offer, whichever shall first occur, of the acceptance or rejection of any vacant position offered to the employee during the recall period.

Any employee recalled during the recall period shall retain his/her accrued rights and all accumulated seniority; however, any period after the honorable dismissal during which the employee did not work shall not be counted towards seniority.

#### **D. Seniority**

Seniority shall be defined as the total length of continuous service as either a part-time or full-time employee within a category of position as set forth in Section B of this Article. Seniority shall not be interrupted by approved Board leave, but time on unpaid leave of absence of ninety (90) consecutive days or more shall not count toward the accrual of seniority. Seniority shall begin with the first working day in such category of position. Part-time employees shall accrue seniority on a pro rata basis. If an employee transfers from one category to another (as set forth in section B) beginning with the 2004-05 school year, the employee shall retain seniority in the category from which he/she transferred until the seniority of the employee in the two categories are equal. If an employee transfers from a part-time to a full-time position (or vice versa) within the same category, the employee shall be able to utilize the seniority accrued in his/her prior position in his/her new position.

**E. Resolving Identical Seniority**

- 1) If total years of continuous service referred to in Section D of this Article are equal between two (2) or more employees, then seniority shall be determined by total continuous service with the District in any capacity.
- 2) If total years of continuous service referred to above are equal between two (2) or more employees, then a lot drawing witnessed by the Association President and a representative from the Administration shall determine seniority.

**F. Seniority Lists**

The Board shall furnish the Association with annual seniority lists by February 1 and such lists shall show the names of employees in order of their District seniority.

## ARTICLE 7

### VACANCIES, TRANSFERS, SUMMER SCHOOL & SUMMER WORK ASSIGNMENTS

#### **A. Posting of Vacancies or Newly Created Positions**

If a vacancy occurs in a position covered by this Agreement as a result of a resignation, termination, promotion, or new position, such vacancy shall be listed in the “Up to the Minute,” or “Up to the Month,” and posted on the internet for at least seven (7) calendar days unless the needs of the District require otherwise. The Board will consider all qualified employees who apply for job openings within the bargaining unit. The Association President shall also receive a copy of all vacancy notices.

#### **B. Application Process**

Qualified employees may apply for a vacancy covered by this Agreement by submitting a written application to the Assistant Superintendent for Personnel in accordance with the timeline established in the posted notice. An employee may at any time also notify the Assistant Superintendent for Personnel in writing if he/she is interested in a transfer to an existing bargaining unit position.

#### **C. Involuntary Transfer**

Any employee who is involuntarily transferred will be given an opportunity to meet the Director of Human Resources or designee to discuss the transfer within 14 calendar days of any written request to do so.

The Labor Management Committee will address concerns related to involuntary transfers such as notification, review of voluntary transfer requests and employee input prior to involuntary transfers.

#### **D. Summer School and Summer Work Assignments**

The Board shall provide employees with the opportunity to apply for summer school and summer work assignments.

## ARTICLE 9

An employee's evaluation shall be based on the quality of work as determined by informal observation; relationship with students, teachers, other support staff and administrators; professionalism; and other areas as outlined in the formal evaluation instrument.

**B. Notification**

As part of the support staff intake process, all new employees will be informed of and furnished with a copy of the evaluation procedures, standards, instrument and job description. Each employee shall sign a statement indicating participation in the orientation regarding an understanding of the evaluation procedure.

**C. Employee Evaluation**

Employees shall be formally evaluated at least once prior to June 1<sup>st</sup> during each employment year, provided that additional informal evaluations may be conducted at the Administration's discretion.

Issues concerning evaluation procedures and process will be addressed by the Labor Management Committee.

## ARTICLE 10
